

OUTLINE OF INTENDED ACTIVITIES

JAPAN WORKING HOLIDAY VISA APPLICATION

SEPTEMBER 2024

Upon arriving in Japan I plan to stay in Tokyo for a few weeks whilst I get oriented with life in the country. During my time in Tokyo I will seek ways to assist me to further develop my Japanese language skills by taking part in a local language class. I will also use this time to visit the local government office to complete my resident registration.

For the first few months I intend to travel around the country, exploring the many wonderful sights and experiencing the food and culture on offer, as well as seeing the Autumn colours in bloom. This time will also be used to gauge the cost of living and how much I may have to work during my stay,

DECEMBER 2024

After travelling the country for a few months I plan to visit Nagano or Nozawaonsen to work in a seasonal ski resort job. I want to use this time to understand Japanese working culture and earn money to fund my travels in Japan. I would like to use this time to improve my current ski skills and meet new people with the same hobby.

MARCH 2025

At the end of the ski season I want to revisit Tokyo, Kyoto and Fuji areas. Having previously seen the cherry blossoms on a visit to Japan in 2023, I'm really looking forward to reliving this experience. Due to my interest in photography, I particularly want to spend more time around the Fuji 5 Lakes area to capture the beauty of Fuji during spring.

MAY 2025

During summer I intend to travel around the south of Japan starting in Kagoshima where I hope to explore the ancient forests of Yakushima and then head to Okinawa where I plan to relax at the beach and go Scuba diving/snorkeling.

AUGUST 2025

At the end of my 12 months, I plan on continuing my travels to South America.
